DEFENDANT'S MOTION TO SCHEDULE A RULE 11 HEARING

Defendant, Carlos De Graca Lopes, hereby respectfully requests the Court to schedule a Rule 11 hearing for on or after September 5, 2008. Defense counsel has conferred with the government and based on the schedules of both parties a date on or after September 5, 2008 would ensure that both parties would be available for the hearing. Counsel alerts the Court that Mr. Lopes requires the assistance of a Portugese interpreter. The Assistant United States Attorney assigned to this case, Aloke Chakravarty, has no objection to this request.
